

Dear Friends,

On behalf of Women & Philanthropy at UC Davis, we thank you for your interest in our ***Wisdom of Women Symposium*** on Sunday, November 5, 2023. We are excited to partner with you to expand the transformative power of philanthropy—all while building an inclusive future and celebrating the visionaries who inspire the next generation of female leadership and charitable giving. This year's event, held in the Mondavi Center for Performing Arts, will feature a panel discussion with a group of trailblazing and dynamic female leaders in discussing topics such as diversity, equity, inclusion and belonging, the role of representation and why it matters, and women in STEM. The special highlight of the afternoon will be a conversation with ballerina Misty Copeland, who made history as the first African American Female Principal Dancer with the prestigious American Ballet Theatre. The event will be preceded by an invitation-only "*Celebrating Generosity Luncheon*" and followed by a ticketed reception with book signing.

As an important partner in our shared vision, we invite you to support Women & Philanthropy through sponsorship. Funds will:

- Support the important work of UC Davis leaders through the prestigious *Women & Philanthropy Impact Award*—which recognizes a current UC Davis faculty or staff member at the Symposium for their contributions to the advancement of women in their respective fields, demonstration of exemplary leadership, and significant contributions to the local and global communities;
- Offset costs of the event and provide general support to the Women & Philanthropy program;
- Provide free admission to youth and young adults interested in leadership and philanthropy.

Your investment will also provide a unique opportunity to develop relationships with a wide variety of professionals committed to the advancement of women in leadership and philanthropy. The event will include several channels for outreach, and we anticipate around 1,700 leaders, professionals, young adults and university students will be in attendance.

We hope you will consider sponsoring this year's Women & Philanthropy ***Wisdom of Women Symposium***. Together, we can continue to grow and support a network of philanthropists and leaders who work to make the world a better place.

Sincerely,

Sallie-Grace Tate, M.A. Ed.

Executive Director of Women & Philanthropy, UC Davis
